**Ambassador Vineyard 2010 Estate Envoy
Red Mountain, Washington**

A deep dark red color. Rich dark berry enveloped by smoke and dried herbs with a finish of black pepper, creamy raspberry and just a hint of minerality in the background. Medium body and spicy on the palate with creamy fruit and cinnamon spice, finishing with a hint of smoke. Nice structure without being too grippy, very pleasant to drink now but should age very nicely for 5-10 years.

Poggio Barbone 2006 Morellino Di Scansano Chianti, Italy

“From Southern Tuscany, this is made of Sangiovese. Sees more sunshine therefore producing wines more fruit-driven than Chianti. Fresh and tasty!”

This wine is a blend of 90% Sangiovese and 10% Merlot. It is bright ruby red in color with warm and pervasive aromas of cherry and blackberry jam. The taste is crisp with a finish that portends good aging potential.
