*Coiron 2012 Torrontés \$11.99*

Aromatic and elegant, this 100% Torrontés is a refreshing white wine offering bright citrus aromas and notes of peach, honey and white flowers. The palate presents nectarine and pineapple flavors before a bright finish of lingering yet vivacious acidity. Try this wine with Thai or Indian dishes.

*VinEcol 2012 Torrontés \$13.99*

Just as refreshing, this Torrontés is more complex, showing at the beginning, tropical fruits and then move into lemongrass and jasmine notes with hints of minerality. From Argentina's Central Mendoza Valley, this all-organic wine boasts elegant citrus fruit flavors and a long, pleasant finish.

The "VinEcol winery" project was launched in 2000 to produce high quality organic wines for exportation that may be distinguished by the extra care given to the entire process, from vineyard to bottle.

## *Dona Silvína 2011 Malbec \$26.99*

Created by winemaker Panos Zouboulis at Bodegas Krontiras, this Malbec is a deep and dense purple, showing aromas of violets, blackberries, black plums and berry jam. With full-bodied fruit, it's spicy and smoky in the mouth with balanced acidity and a soft, elegant and lengthy finish.

Zouboulis ferments using wild yeast from the vineyard, also doing the malolactic fermentation with wild bacteria. He keeps the wine in barrel for 10 to 12 months.

## *Adamant Cellars 2009 Winemaker's Select Merlot, Walla Walla Valley \$45.99*

This 100% Walla Walla Valley Merlot offers a spicy and vibrant mouthful of juicy black cherry, red currant, espresso, and silky blackberry flavors that linger with a graceful, delicate and expressive finish of firm tannins.

Devín and Debra Sting founded Adamant Cellars in 2006 in the Walla Walla Airport Wine District, naming it "Adamant" because the word is a doublet for the hardy diamond.

## *Adamant Cellars 2009 "Nalín" Bordeaux Blend \$34.99*

A blend of Merlot, Cabernet Franc, Cabernet Sauvignon and Malbec, this is a fleshy and concentrated wine showing a dark flavor profile of blackberry, cassis, plum, and cherry tobacco backed by crushed pepper and rosemary.

## *Adamant Cellars 2009 Winemaker's Select Cabernet Sauvignon, Walla Walla Valley \$45.99*

This 100% Walla Walla Cabernet Sauvignon displays depth and intensity with white pepper and black fruit flavors. Lingering notes of tarragon, roasted meat, chilies and vibrant acidity come with every mouthful of this serious wine!
