

Palliative Care: Principles

(SQCF Level 9) in Association with Glasgow Caledonian University

This module is accredited with 20 SCOTCAT points at level 3/SQCF9 and Postgraduate.

Suitable for all Health Care Professionals.

The aim of this module is to introduce students to the concept of palliative care in its wider context. Key issues underpinning palliative care will be appraised. The needs of patients with more common advanced malignant/ non malignant disease will be analysed. Students will use research-based evidence to develop their knowledge and skills for this group of patients.

This module meets the following KSF Dimensions and Levels

Core 1 Level 3, Core 2 Level 2, Core 5 Level 3, HWB1 Level 3, HWB2 Level 3, HWB6 Level 3, HWB7 Level 3.

Course will run for six weeks.
