Mount Ararat Baptist Church (referred to herein as “we,” “us” and “our”) sponsors a shopping card program which allows you to purchase shopping cards from a variety of retailers. The shopping cards you purchase through our program generate rebates from the participating retailers (currently from 1% to 14% of their face value). These rebates can be used as a credit to your family account, taken in cash, or as a contribution to the church. The parties agree as follows:

For administering the scrip program, we will retain 10% of the rebates received from your scrip purchases as an administration fee.

We agree to apply the balance of your rebates as designated below:

_____ as a charitable contribution to the Mount Ararat Baptist Church Building Program. All balances remaining on December 31 each year will be donated to the MABC building fund.*

_____ as a cash rebate of the balance in your account to be paid to you through December 31 of each year. The IRS treats this money as rebates from retailers, and as such, is not considered income to you.

_____ credited to your family account which can be used to pay for all MABC programs and events during the year. Any balance left at December 31 will be donated to the MABC building fund.*

_____ credited to your family account which can be used to pay for all MABC programs and events during the year. Any balance left at December 31 will be paid directly to you.

All shopping card accounts will go to zero at the end of each year.

Cash proceeds can only be redeemed when accounts are in good standing or if relocating out of the area.
