February Bulletin

New Season And Club Forum

Document & Forms Released

Attention: %%FIRST%%

The Club Forum held in Wellington on January 31st was attended by 30 delegates, including all members of the NZIHA Executive and the Referee and Coaching Chairs. As indicated at the meeting the forum minutes would be distributed to clubs (once compiled) after the full discussion based on the released agenda.

The executive are confident that the discussion that took place will provide a valuable tool to move forward. There was a consensus of opinion that the forum concept should be an annual event on our calendar but in future we should endeavour to have it timed for the end of the season (year) in preparation for the following season.

On behalf of the NZIHA Executive, clubs and delegates are thanked for their constructive input.

The NZIHA are required to notify all affiliated clubs with in 28 days of the set date. You will recall that in October 2008 a Special General Assembly meeting was held at Inter Regionals in Wanganui to discuss the remit to change the nomination process for the Executive Committee.

The document attached also includes a full copy of the NZIHA Constitution and Bylaws updated at the October 2008 meeting. The changes to the Constitution and Bylaws that were agreed to at the October 2008 meeting and the October Special Meeting have been highlighted in blue for your convenience.

The venue has been tentatively set for Auckland near the airport. However this cannot yet be confirmed as the executive are waiting on responses from clubs to an email sent out last week regarding the venue. Due to the long weekend (just passed) we will need to wait a day or so more for responses to be received.

Clubs will be advised of the venue in the time frame set by the rules governing notifications in the NZIHA Constitution.
