REMINDERS AND INFORMATION FOR MAY 2009

You are subscribed as %%emailaddress%%

International Competition

Important Notice to players who indicated an interest in FIRS Championships being held in Italy

NZIHA advise that due to huge costs and uncertainty of rates of exchange and limited numbers of players available there will be no teams entered in the 2009 event being held in Italy. There will be further information coming out regarding planning for 2010 international events and attempts will be made to seek earlier notification from organisers to assist with project planning and funding options.

Thank you to those players who indicated an interest in being considered, your commitment is appreciated especially given the estimated costs and late notification we received from organisers.

2009 Registrations

Team Player and Officials Registrations are due NOW

NZIHA reminds all clubs that registrations must be submitted for all players before they compete in regional league games due to commence this coming weekend (if not already registered) Registrations spreadsheets must be submitted by email with a followup in the post. Payments must be posted or can be banked direct to the NZIHA account. Please ensure that your club name is lodged with your deposits. Bank details can be downloaded [HERE](#)

Apology

While the database is being updated as new registrations are received there may be instances of multiple bulletins received. Apologies in advance if this happens, this will be rectified over the next month once the database is finalised.

May Closing Dates for Club Tournaments

Queens Birthday Tournaments

Tauranga Ducks Junior
Closing Date May 1 (today!)

Ravens Senior Tournament
Closing Date May 8

Info can be downloaded Here

[Ravens](#)

Bulletin Email Recipients

Please make sure that bulletins are still circulated amongst your club members (especially new members) as the recipient database is still being updated as registrations are received. Bulletins can be forwarded to your members using this link

[FORWARD BULLETIN](#)

Members can also load themselves to the database by going to the NZIHA website (www.nziha.com) and using the link provided on the Hockeyline page or use this link
