

Meet Mac McCoy

We are pleased to welcome Mac McCoy as our new Director of Student Ministries and Coordinator of Bridge Music. Mac brings to us a commitment to sustainable, deep-impact youth ministry. He will work to not only build relationships with our youth, but to develop and disciple adult volunteer leaders. Because of his musical gifts and vast experience in leading worship, Mac will also take over the leadership of our Bridge band.

Mac has been involved in youth ministry for many years, serving lengthy tenures at three Presbyterian churches as Director of Youth Ministry and volunteering with Young Life for 37 years. A veteran of hundreds of youth retreats and conferences, Mac's hobbies include cycling, playing guitar, golf, skiing, music and video production, and anything else involving technology!

Mac has been married to Catherine for 32 years, and they have two daughters, Micah and Sarah. Catherine is a Speech/Language therapist in addition to being a terrific wife and "Mom". Catherine also loves every Beth Moore Bible study ever written. Micah, age 23, is a graduate of Oklahoma City University with a degree in Fine Arts. She is married and her husband is currently deployed with the United States Army. Sarah, age 20, is a sophomore music theatre major and sorority girl at the University of Central Oklahoma.
