

ALL IN

Relationships need it. Families need it. Businesses need it. Teams need it. And so do churches. COMMITMENT. The future is better when people are all in with the vision. What about you? Are you committed to Jesus? Committed to Mount Ararat? Are you willing to give your time, energy, and finances?

All In is a one-year invitation into greater discipleship, greater generosity, greater blessing, and greater financial freedom. Will you believe and move forward? Will you be *All In*?

"Give, and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap. For with the measure you use, it will be measured to you." Luke 6:38

Invite In: Campus Renovations

Every physical environment communicates something. It's the sermon before the sermon begins. What do the twenty-one-year-old carpet and chairs that we've become accustomed to communicate? Our physical environment is often the first thing that comes to mind when guests think about Mount Ararat. Let's update our Worship Center with new paint, carpet and chairs, and reduce the sound booth footprint to increase our number of seats. We never want our environment to make it difficult for those who are turning to God.

Go Out: Multisite

Space challenges in our Worship Center, parking lot, and education areas have created a barrier to reach more people. Our North Stafford location has created a barrier for us to reach new people in other parts of the county. In the Bible, eight is the number of new birth, and this year Mount Ararat turns 108. If 2014 was the year of completion, then 2015 is the year of new beginnings for Mount Ararat. Now, after searching for three years, God has opened an opportunity to host another campus in Colonial Forge High School on Courthouse Road. Let's invest in our multisite strategy so we can create seats and reach a new part of Stafford with the life-changing love of Jesus.

Give Up: Missions

You can't outgive God. As you give, Mount Ararat gives. We commit to give away ten percent of everything we receive. Ten percent of what you give will go outside our walls to local and global partners.

What could God do if we were *All In*?

Now is the time to find out. Courage isn't the absence of fear. It's feeling fear and moving forward. Believing means that we trust Jesus enough to take action.

What about you? Will you believe and move forward? Are you *All In*?
