## COMPULSORY SUBJECTS:

All students study English, Mathematics, Science, Social Studies and Physical Education/Health.

## OPTIONAL SUBJECTS:

Option subjects are studied for a part of the year. They are drawn from the Curriculum areas of Arts, Languages and Technology.

- Year 9 students do **6** option subjects over the year, four of which are minor options, the other two being major.
- The four minor options will be completed across Terms 1 and 2 (approximately 10 weeks each).
- The two major options will be completed across Terms 3 and 4 (approximately 20 weeks each).
- Students **have to study two subjects from each of the Curriculum areas - Arts, Languages and Technology.**
- The two major options allow for a broader study of the subject chosen. Students cannot study a subject as **both** a minor and a major. The 6 options must be different and cover two choices from each curriculum area.
