SRC Muster for nipper parents & rookies

Your kids do nippers and you want to join in?
Want to learn CPR? (It would be a great skill to have!)
Are you 13+ years old and want to get a lifesaving award?

Surf Rescue Certificate or (SRC) teaches CPR and allows you to preform Water Safety (like at nippers) without being a full patrolling member.

At 9am on the 20th September, at the Clubhouse, Kieran is holding an info session for everyone who is interested.

News for the week

Want to feel 'very important' and 'have many leather-bound books' and make your 'apartment smell of rich mahogany?'

Ron Burgandy, Anchorman

...or would you just like to brush up your knowledge or prefer to have your own manuals handy at any time?

You are now able to directly access and purchase various personal patrol equipment, including SLSC training manuals, (few examples above) from the Member's Store via your member's login, with dispatch within a few business days.

Visit <https://portal.sls.com.au/wps/portal/member/>

(Please note that not all equipment can be purchased with your member login. Certain equipment is restricted for club purchases only via an Administrator login)
