Tree of Hope
Making a Difference In our Community

Advent is often called “The Season of Hope” as we prepare our hearts and lives for the coming of the Christ Child. Through the prophet Jeremiah, God tells His people that His plan is to give them a future with Hope. But what is hope? To individuals, hope comes to them in different ways. Can we be hope for someone?

For many in our community, this Advent Season seems to hold little hope or promise for a better future. Many agencies in our community minister to those with various needs throughout the year. With The Tree of Hope, we can offer assistance and hope for the future to those in need.
