Dear Parents and Caregivers

Wanganui High School is pleased to announce that the School has sold the business of uniform supply to Andersons. The uniform will be sold exclusively by Andersons and the uniform shop on the School grounds will cease to operate as from the end of the school year. We are confident that the team at Andersons will provide our community with first class service. The business will maintain good stock levels and provide trained personnel to provide a prompt and high level of service in accordance with good business practice.

The features offered are:

1	Provide a minimum of 5½ days a week retail service from the shop by the fountain (50 Victoria Avenue).
2	Provide an online purchase/order facility in the new year.
3	Create an account history with customers to allow for easy supply (replacement) of uniforms to students. WINZ (Work and Income New Zealand) quotes are accepted.
4	Provide same day delivery of uniform orders to the School.
5	Provide a tailoring service.
6	Used/second-hand uniform service: a) Deliver second-hand goods to Andersons. b) The uniform will be assessed for quality and potential re-sale value. c) If the assessed value is accepted by the vendor then the uniform will be purchased by Andersons and on-sold, otherwise it ceases to be their responsibility and goods will be returned to the vendor. There will be a three week turnover involved.

Parents are assured that Anderson's prices compare very favourably with those of our uniform shop.

If you have any concerns please contact the School.
