

Middle of the racecourse users agreement

The Wanganui Jockey Club requires all users of the racecourse facilities, in particular the middle of the racecourse for events as well as the stable area, to comply with the following conditions:

1. Groups are to contact the Track manager prior to event day to organise keys, set up times and event start times, and any toilet or boxes/yard hire requirements.
Access to the racecourse facilities will not be allowed without prior permission from the Track Manager.
2. Areas to be used as designated by the track manager or Racecourse staff.
3. All groups, as users, will be responsible for their own Health and Safety management for their particular code during their events, and any subsequent incident or accident reporting. Please advise Track manager if any hazards are identified.
4. **The backgate entrance off Carlton Ave must be secured and monitored at all times to prevent any loose horses escaping into a public area.**
5. Any relevant licenses under their governing body or code should be current and any users/contestants checked that they are compliant or have an appropriate license.
6. The group booking the venue is responsible for maintaining the middle of the racecourse, or event area, and surrounding areas to be left in a clean and tidy standard, as they are provided. Any rubbish or waste must be tidied up before normal business operations resume the following morning.
7. If used, the boxes, stables, feedrooms and surrounding areas are to be kept clean and tidy at all times.
8. Any damage to boxes or yards must be reported immediately to track staff and may be the responsibility of the users.
9. Yards are required to be kept clean, raked and leveled with dung removed at all times.
10. No horses to be let loose on any area of the Racecourse.
11. Only use the designated boxes allocated by the Course Manager.
12. No feed bins are to be removed from boxes and used in the yards.
13. No unbroken horses to be accommodated on Course without prior permission of the Track manager or committee.
14. No alcohol to be consumed or stored in the stable area.
15. No smoking in the stables or stable area.
16. Any children must be supervised at all times around the horses and should not be left unattended in hazardous situations on-course. The Club takes no responsibility for any children at any time.

Fees charged

Box/Yard per day (inclusive of bedding) \$ 6.00 (GST incl)
