Sport Rebranding

We would like acknowledge the many hours committed to rebranding the sport from Cluster Creative, a Wellington based company who have redesigned the association “brand” providing the following:

- Logo
- Team Logos
- Graphic Icons
- Provided Specific Colours
- Utilised an “inline” bold font
- Introduced “Tag Lines” specific to our sport
- Provided brand photography colour filters

Samples shown here:

The New Zealand Inline Hockey Association will also move to;
“INLINE HOCKEY NEW ZEALAND” or IHNZ

Uniform for the New Zealand representative teams will also reflect these changes and will be introduced as required. The NZ Senior Women will be the first team to wear the “new” black (dark) and white (alternate) designed jersey to Italy when they attend 2016 FIRS World Championships in June. AAU teams will wear the second tier jersey based on Charcoal (dark) and Light Grey (alternate). The banner headers and logos will be phased in to use as appropriate.

Best regards
