

LOOKING FOR AN INTERNSHIP?  
WANT TO DO A BACHELOR / MASTER THESIS IN INDUSTRY?

⇒ DO IT AT AN EXCITING BIOTECH START-UP COMPANY!

BioVersys AG ([www.bioversys.com](http://www.bioversys.com)) is a biotech start-up company working in the antibiotic field. We are looking for motivated students that would like to do an internship or their bachelor / master thesis with a focus on microbiology research.

BioVersys has won several prizes, is highly international, with a typical start-up mentality of flexible and open-minded culture. Our working languages are English and German.

We are currently 10 people and are located at the Technology Park in Basel (easily reachable by tram #8 or bus #36, [Google Maps Link](#)). For a short animation about our company, click this link to a [YouTube video](#) that was created for the Swiss Technology Award.
