E-Learning					
The use of the Internet and Mobile Devices for Education					
Whanganui High School supports and encourages the use of electronic devices such as laptops, tablets, netbooks and other mobile devices to enhance learning. Students are encouraged to behave responsibly, demonstrating a commitment to our LIFE values while using electronic devices and the Internet.					
Project for School Leavers					
I give permission for WHS to liaise with 100% SWEET by providing contact information, (name and contact details). 100% SWEET is a project aligned with 'Mayors Task Force for Jobs', designed to provide information, advice, guidance and support to school leavers.				Yes	No

I hereby acknowledge that I have read and understood Whanganui High School's Enrolment Scheme (a copy of which was provided with this enrolment form). I hereby make application to enrol my son/daughter at Whanganui High School and agree that if he/she is admitted, he/she will be subject to the rules and discipline of the School, will adhere to the School's uniform policy, and will attend as required. I will endeavour to pay the family contribution and material charges levied by the Board of Trustees. I undertake to provide all information and particulars relating to guardianship and legal access where relevant, and to allow the School to share such information as necessary to meet the needs of my son/daughter. I consent to the publication of information and images featuring my son/daughter. Examples of such publications include, but are not limited to, newspapers, magazines, videos, electronic media. I also accept that E-Learning is part of the learning experience and that my child will be required to participate and will abide by the terms and conditions as set out on the School web site. I understand that the School will contact me, in writing, in order to confirm whether or not my son/daughter has been accepted. I confirm that the address which I have provided to the school will be the usual place of residence of my son/daughter when the School is open for instruction. I will promptly advise the School of any subsequent change of address.

I enclose the following documents as part of my son/daughter's application for enrolment:

YEAR 9 OPTION CHOICES 2017

Name: _____

Telephone No: _____

COMPULSORY SUBJECTS:

All students study English, Mathematics, Science, Social Studies and Physical Education/Health.

OPTIONAL SUBJECTS:

Option subjects are studied for a part of the year. They are drawn from the Curriculum areas of Arts, Languages and Technology.

- Year 9 students do **6** option subjects over the year, four of which are minor options, the other two being major.
- The four minor options will be completed across Terms 1 and 2 (approximately 10 weeks each).
- The two major options will be completed across Terms 3 and 4 (approximately 20 weeks each).
- Students have to study two subjects from each of the Curriculum areas - **Arts**, **Languages** and **Technology**.
- The two major options allow for a broader study of the subject chosen. Students cannot study a subject as both a minor and a major. The 6 options must be different and cover two choices from each curriculum area.

CURRICULUM AREAS	YEAR 9 Options 2016		MINOR OPTIONS (Tick 4 options in this column)	MAJOR OPTIONS (Tick 2 options in this column) (Different from your Minor options)	Check that you have two ticks in each Curriculum area and that no subject is chosen twice.
	LANGUAGES	French			
		Spanish			
		Chinese			
		Maori			
	ARTS	Art			
		Dance			
		Drama			
		Music			
	TECHNOLOGY	Food			
		Textiles			
		Design & Visual Communication			
		Hard Materials			
		Digital Technology (computing)			
	<u>NOW CHOOSE a spare minor and a spare major.</u> These will only be used if your other choices cannot be timetabled. (Write clearly)		→	→	

NB:

- Design and Visual Communication was formerly Graphics.
- Materials Technology covers work with 'hard materials', such as wood, metal and glass.
- For students who the School identifies as needing support in English, one or two Language options may be replaced with Literacy or Global Studies (which provides a brief introduction to Modern Language and cultures).
- Digital Technology will cover content based on both Desktop software and Cloud based (online) applications.
- Languages:** The two language choices have to include a European Language or Maori, **AND** an Asian language or Maori.
NB: The 20 week course is a prerequisite for taking a language in Year 10.
