

# Whanganui High School

## **NEWSLETTER FOR JUNE 2016 FROM THE PRINCIPAL**

#### Dear Parents, Caregivers and Friends of the School,

For those parents/caregivers of students currently in Year 8 who are considering which secondary school to enrol their child in for the 2017 academic year, perhaps the following information might assist you in making this decision.

The community knows that Whanganui High School (WHS) The community knows that Whanganui High School (WHS) provides the best education for students at a state, coeducational secondary school in Whanganui. We have the results to substantiate this claim but everyone understands that providing an excellent education is a complex collection of factors. An excellent education is to do with nurturing and developing a young person so that they become the very best they can be across a whole range of activities - where their academic, social, sporting and creative potential is developed. Because of our all-round success, the commitment of our staff and the support of our school community, we are able to provide the environment where this nurturing and development can readily take place so that students achieve development can readily take place so that students achieve personal excellence.

I know that making a choice of school for your youngster is a vitally important one and one that is best when it is an informed decision. The following three main themes ought to be part of your consideration process so that you can be confident of making the right choice for your child's future

The first is opportunity.
WHS provides an outstanding range of subjects and cocurricular activities that see almost any interest a student may
have catered for, either in the classroom or through extracurricular activities. There is a huge range of curriculum
choices that provide a superb general education with the
facility for specialisation in an extensive range of areas.
Every subject area in the School can support students to
develop specialist learning through their programmes. We
provide a rich and diverse learning environment and, as a
result of this, students are both motivated and engaged in
their learning.

their learning. Alongside the formal classroom experience there are interest groups that focus on extra-curricular opportunities for an array of activities, covering the areas of sport, performing arts, culture, creativity and recreation.

Life at WHS is as rich as any youngster wants to make it.

The second theme is support.

It has been said that WHS is a big school that feels like a small school. This is because we work hard to make the transition from primary or intermediate school to the high school environment as smooth as we can. We work to personalise relationships within the School so that each

individual is treated in accordance with their needs. We that is treated in accordance with their needs. We have in place a highly effective pastoral care structure with the form teacher being the focus point of each student, supported by highly experienced year level deans and deputy principals.

I can reassure you that your youngster will not be lost in the crowd but will be supported and encouraged as a valued individual.

The third theme is achievement.

The third theme is achievement.

In terms of academic achievement WHS is a high performing school. Statistical comparisons provided by the New Zealand Qualifications Authority (NZQA) show that WHS is the highest performing school of its type in the country. Our students achieve as well as or better than students attending the most prestigious schools in New Zealand. Our Dux last year, Amaan Merchant, was the 4th highest achieving student in the whole of NZ. Our academic success rates are valid reason for the pride we all share in the achievements of our students.

Schools are about learning, and this learning is measured by achievement. Just attending WHS is not necessarily a guarantee of success but students who come eager and ready to work with our staff to meet academic goals are guaranteed success. They are then ready to take the next step into their future with confidence, skill and the knowledge that they have been well prepared for a rewarding and fulfilling adult

Thus I encourage you to consider what WHS has to offer your child. The rich curriculum and extra-curricular your child. The rich curriculum and extra-curricular opportunities offered here are exceptional. The support provided by our pastoral and guidance teams ensure that your youngster is valued and nurtured while being encouraged to perform to the highest possible level. Together these factors provide the environment for your child to attain personal excellence, equipped for adult life with the qualifications and values that will provide them with real choice about their future.

We look forward to receiving your child's application to enrol at our great School

Please note that enrolment applications for next year are

Best wishes. Garry Olver Principal

### **Performing Arts Update 2016**

Whanganui High School Performing Arts students continue to feature heavily in the media with reports of their ongoing successes on stage. It has been an incredibly busy half a year and in summary, it might be fair to say, 'what has WHS NOT taken part in over the last 5 months?'. We hit the year running and 44 Junior students captured the magic of Shakespeare on stage delivering 'Midsummer Night's Dream', complete with Taylor Swift songs! Of particular note, the band, lighting, sound, set and stage management were all taken care of by Senior students. We are incredibly proud of what the cast and crew achieved, it is such a positive experience and prepares the Juniors well for our school-wide productions.

Drama students put their Shakespearean talents to the test entering the Otago University Sheilah Winn Regional Shakespeare Festival in April. A Junior entry of a scene from Midsummer Night's Dream won Best delivery of Music and Emelye Brown (Year 10) won Best Delivery of Text, competing against all other junior and senior students! Congratulations go to Caitlyn Friedel and Vincent Collins who won the festival and were selected to perform at The National Festival in June. Vincent won best actor at this festival and will perform with 41 others in the National Shakespeare School Production in Otago later on in the year. From there, they will select 21 to travel to The Globe Theatre in London. Break a leg Vince!

During the recent Rockquest competitions, WHS proved that we definitely do rock on stage and we took away a massive 6 prizes. Ist place "Why Vibrations" Te Paerata Tichbon and Michael Petersen. 2nd place and The Dominate Style Award 'Fusion 5' Bayley Blythe, Sam Austin, Sam Dixon, Jordan Coveny and Darren Teriyaki-Osborne. 3rd place 'Super Ensemble' Ethan Mancer, Jack McCoubrie, Lane Madams, Ben Fantham and Brody Casey. The first two groups are busy working on a recording to be sent away to be considered for the National finals. The Best Song of the night went to Jack Southee and Kaleb LamaLove and The MAINZ Musicianship Award to Bayley Blythe.

From Rock to Chamber Music, 9 groups entered the NZCT Chamber Music Regional Contest that was held on Friday 10th June. We took away 5 awards: Highly Commended: Turneresque Trio Shaila-Anne Hawkins (with 2 other Collegiate students) and they have since been chosen to represent Wanganui at the Central Districts finals in Napier. The KBB Award for groups featuring wind/brass or percussion went to 'Seriously Brass' - Isaac Paterson, Abby Squire and Ethan Mancer and also 'Turnersque.' The SOUNZ award for best performance of a NZ work (composed by tutor Michael Franklin-Browne) 'The Ruffs' - Stephanie Lockwood, Hugo Collins, Michael Petersen, James Lee. Award for Best performance of an original composition 'The Classical Modes' Ben Power, Virginia Thomson, Danielle Sewell. Composed by Ben Power, Year 10.

And if that's not enough... we WON The Regional Stage Challenge Competition making us a national finalist!! Our entry this year depicted the Pike River Mine disaster and audience members were reduced to tears. We hope it will tears of joy when they announce the National winners in September!

The International Cultural Concert was again a huge success with all international students providing national food, dance and music. This event is highly enjoyed by the school wide

Last but by no means least, the city had a chance to witness first hand many of the above talented students on the Royal Wanganui Opera House stage at our Annual Performing Arts Concert. "Live From The Opera House featured kapahaka to pasifika, chamber to rock musicians, dancers, actors and comedians, talent quest winners and Shakespeare. Once again WHS impressed the audience with these high-level performances.

Our academic success profile is enviable throughout the country and this success is certainly enriched by the extracurricular experiences in the Performing Arts Department that make connection with Whanganui High School so fulfilling for our students.
