

Dear Friends,

On behalf of Telluride Ski & Golf Resort I would like to invite you and your friends to join the MLK Scholarship Adventure this January to Southwestern Colorado. This year, following your visit to Silverton, the trip will include two days in Telluride and we are looking forward to providing you and your guests with an exceptional visit. For those of you who have never been to Telluride you are in for a special and unique experience. With more than four thousand feet of vertical including some of the best steep terrain in Colorado and a San Juan mountain landscape that will embrace you Telluride will capture your heart and awaken your soul.

Your stay will be at the Peaks hotel with a great ski in ski out location. You will enjoy guided skiing with our top private instructors, a special lunch on the mountain at one of our signature outdoor dining venues and a group dinner at Allred's (named in honor of Telluride Mountain Village founder Ron Allred) on top of the San Sophia Ridge overlooking the town of Telluride 2,000 feet below.

Telluride Ski & Golf is very honored and proud to host you and your guests in conjunction with this Scholarship event. We will work hard to see if we can make it a powder day for your visit.

All the best,

Bill Jensen
