### \* A Dish for The Good Food Truck

\* In an effort to ensure that all Vermonters have access to good, nutritional food, Juniper & Hotel Vermont have changed the pricing on our flatbread to a donation based model. You decide how much you'd like to give, and in recognition of your generosity, you will receive our entree-sized flatbread. At the end of every month, any amount donated above our costs will be given to support the **Chittenden Emergency Food Shelf's Good Food Truck**. The Good Food Truck provides good, healthy meals to food-insecure Vermonters. Every meal purchased from the Truck makes another meal possible for our neighbors in need with 100% of the proceeds going towards providing meals to low-income Vermonters. The average price paid has been \$21. Please ask for more details.
