Opening Prayer

Prelude "Air" Beethoven

*Call to Worship

Let us worship God!

**Creator, Holy One, Sovereign God,
Maker of heaven and earth.**

Let us worship God!

Jesus Christ, God-with-us, Savior, Brother, Lord.

Let us worship God!

**Holy Spirit, tongues of fire, a rushing wind,
a still, small voice.**

God is holy, three-in-one!

Let us worship the triune God!

*Hymn 138 "Holy, Holy, Holy! Lord God Almighty!"

Confession of Sin

Creation displays the glory of God, but our sin keeps us from rejoicing in the love God reveals. Yet Christ Jesus the Son carried our sins to the cross, and the Holy Spirit breathes new life into us so that we can praise God our Maker, Savior, and Life-giver. Let us confess our sins, that we may receive such grace.

Presence, Life, Fire, God who is Three in One, we confess that we have turned away from you. We gaze upon ourselves as if we are worthy of worship. We take your creation into our hands, not to love, but to use and then to discard. We go to the people of the land, not to serve, but to press them into our service. We do not deserve that you would even notice us, but we pray for mercy because you are merciful.

Flame of Love, purify us from sin;

**Eternal Now, lead us to your truth;
Risen One, baptize us into union with you.
Transform us into faithful disciples who worship
you alone, God who is Trinity. Amen.**

Trinity Sunday

So God breathed life into Adam and Eve. When they opened their eyes, the first thing they ever saw was God's face. And when God saw them he was like a new dad. "You look like me," he said. "You are the most beautiful thing I've ever made!"

God loved them with all his heart. And they were lovely because he loved them.

And Adam and Eve joined in the song of the stars and the stream and the wind in the trees, the wonderful song of love to the one who made them. Their hearts filled with happiness. And nothing ever made them sad or lonely or sick or afraid.

God looked at everything he had made. "Perfect!" he said. And it was.

But all the stars and the mountains and oceans and galaxies and everything were nothing compared to how much he loved his children. He would move heaven and earth to be near them. Always. Whatever happened, whatever it cost him, he would always love them.

And so it was that the wonderful love story began.
