Think outside the square – select your choice from our categories and go wild with your own designer flair!

Think about the full outfit: Make sure you provide your model with accessories to match your bra – wigs, jewellery, handbags, etc. as well as what you want them to wear on the bottom half – shoes, skirt, pants, undies, etc. Think about the full picture of the design.

If you have any special conditions or requests please contact Jo at time of entry.
