

IMPORTANT ANNOUNCEMENT TO TEAMS TRAVELING TO CHINA **released Sat August 12, 2017**

Earlier this week we were advised that the Official Zhenbao Hotel in China had moved our booking to an alternative Zhenbao Hotel at another location.

We were advised this was due to overbooking the official hotel, and the move was made without any consultation with us initially.

We were advised of this situation on Monday by our travel agent, Stars Travel. Initially I advised Ivan and Skate New Zealand however the new booking was unacceptable as the Chinese organiser would not provide any transport as the alternate Zhenbao was not an official hotel.

Maree and Brent Schumacher (Stars Travel) and I have been working round the clock this week to seek more information and to seek assurances from the Chinese Hotel and the FIRS Chinese Organiser in Nanjing and FIRS Switzerland HQ that they either provide transport regardless or assist us to find another hotel on their official list that comes with transport. We also needed guarantees that our funds were secure and would be transferred to a new booking with no additional cost to IHNZ group members.

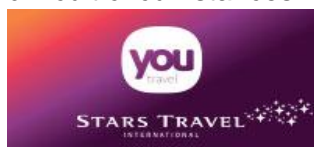

Finally, late this afternoon (Friday) we have negotiated and finalized a new booking at no additional cost to IHNZ, this covers all our group needs and also provides transport to and from airport and venue. The hotel has a very good rating.

The new hotel is:

Jinling New Town Hotel
No.488 Dachangyuan Road (West)
Pukou District
Nanjing
