

Whanganui High School

NEWSLETTER FOR DECEMBER 2017 FROM THE PRINCIPAL

Tēnā koutou katoa,

As I write this newsletter, it is the week after our Year 9 and Year 10 Prizegiving. The school is almost empty of students at present but there is still a buzz of positive activity as teachers sort through their resources and begin organisation for 2018; various support staff members finish their end-of-year business and responsibilities; the deaning and Deputy Principal team work through various class combinations for next year; the timetabling team continues working on the finer details of the 2018 timetable; and I hold a variety of meetings with parents, staff members, and representatives of our wider Whanganui community.

This is all possible because of the decision so many students and families in our greater Whanganui community make to be a contributing part of Whanganui High School's overall success. Thank you for your valuable support and making us your school of choice.

At the end of the school year, we farewelled two long-serving members of staff: Claire O'Connor and Helen Tilley. For the last 21 years, Claire has been teaching Mathematics and continually demonstrated highly effective leadership in the Duke of Edinburgh's Hillary Award Scheme. In 2013, Claire received her own Award at Government House – as one of two volunteers nominated for long service to the Duke of Edinburgh's Hillary Award.

Helen Tilley began teaching at Whanganui High School in 1969. Helen's dedication to one school is possibly unrivalled throughout New Zealand – she attended Whanganui High School as a student; has taught at Whanganui High School her whole teaching career; and as a student or teacher has known every Principal of Whanganui High School since the school began in 1958. Helen had a lengthy career teaching Social Studies and Geography; in recent years she has supervised study classes in the library study room. Many Whanganui residents will also be aware of Helen's extremely strong background in women's Hockey and Cricket.

We wish Claire and Helen all the very best in their active retirement and we wish all our students and their families a joyful and safe Christmas holiday. As I mentioned at the Year 9 and Year 10 Prizegiving – keep up your reading mileage over the school holidays. Reading builds the foundation for all learning.

Ngā mihi nui,

Martin McAllen
Principal

Med Leadership with First Class Honours,

PG Dip Ed Leadership, BA, Dip Teaching

WHS Y8 Scholarship Winners 2018 - Incoming WHS Students
