Subject: Updates for 2018 Selections

We have updated the web site with information regarding the age for Junior players for 2018 World Championships. Juniors are players 18 and under on 1st Jan 2018.

Applications for coaching, selector and manager positions will close on Thursday the 21st December 2017. So please ensure anyone who is interested has filled out the form.

We will shortly be putting a sign up form for those wanting to trial.

Note: Players will need to have no outstanding debts with IHNZ in order to trial.

There has also been an expression of interest form put in place for the Masters and Vets world cup. Should there be enough interest we can proceed with sorting teams, managers, coaches etc out. Please let your members know.

Regards
Ivan Wood
