Tēnā koutou katoa,

Our official Houses Opening Day for all students and staff of Whanganui High School on Friday, 16 February (Jubilee Stadium) has inspired and generated considerable academic, cultural and sporting success for Awa, Maunga, Moana and Whenua students during the first nine weeks of this school year.

I continue to be impressed by the wonderful student, teaching and support staff, whanau and community support associated with Whanganui High School as we continue to establish ourselves as a school of both regional and national significance in all areas of female and male co-educational learning.

Our school LIFE values: Learning; Integrity; Fellowship; Excellence form the basis of daily teaching and learning at Whanganui High School – including forming the foundation of all effective learning interactions between students and teachers.

I am always available to meet with caregivers and parents of our current students and the caregivers and parents of students who are intending to study at Whanganui High School in the near future. I am also always pleased to meet with members of our wider Whanganui community to discuss any aspect of education at Whanganui High School.

Ngā mihi nui

2018 Athletics Day

School athletics this year at Whanganui High School was monumental and historical, as it was the first time in many years the competition was a whole school event. The introduction of the four houses; Moana, Whenua, Awa and Maunga made the day possible so that there was plenty of competitiveness and school spirit amongst everyone. The day consisted of every student from WHS coming down to Cooks Garden dressed up in their house colours to support and compete for their house. Even though the day was a competitive Athletics Day with your 'usual' events, there were also fun events.

The competitive races were an eye opener to what an amazing job coach Greg Fromont has done with the athletes here at Whanganui High School. Every race was extremely close with everyone putting in 110% and showing great sportsmanship towards each other. School records were broken by Rebecca Baker equalling here NZ 1500m winning time of 4.38, Ethan Cox set a new Intermediate Boys 100m record with a time of 11.28s, Sophie Andrews set two new records in both Shot Put (11.5m) and Discus (30.79m) which were already held by her, and lastly Javontae Alabaster-Wroe set a new record in the Senior Boys Shot Put throwing 14.4m. Overall, the school Athletics Day was a huge success and a great way to start a beginning of an era.

WHS had 80 athletes compete at the WSS with 23 of them being named in the North Island Secondary School - Whanganui team for the champs here in Whanganui on 7-9 April.
