New York Life Tampa Offices Donation

The New York Life Insurance Company is a big supporter of children's bereavement programs across the nation. They have an amazing volunteer program for their employees; when their employees donate their time, NYL donates money to the organization!

Each year we have had an amazing group of New York Lifers from the Tampa offices join us for Camp Erin Tampa Bay. Their time spent at camp supporting the camper's turns into funds to support MORE campers.

Thank you from the bottom of our hearts for being such amazing givers!
