

SPECIAL NEWSLETTER
22 June 2018

- **Interschool Moderation**

On **Wednesday 27 June**, students will be **released at 1.30pm** as staff will be attending Interschool moderation meetings at Whanganui Girls College. The buses will run at the normal time, and the Library Homework Centre will be open as usual.

- **Reporting**

I would like to take this opportunity to remind parents about the Live reporting process which we have introduced this year.

All reports can be accessed through the Kamar portal. If you are unsure how to do this please contact the School, and help will be given.

Parents should check the Parental Portal every two to three weeks for new comments, as there is no set time of 'issue,' and it will vary from subject to subject.

I have found that our students are very good at accessing the Kamar portal, so I encourage parents to view the comments together with your son(s) or daughter(s), and discuss their academic progress.

For parents without internet access, we have an iPad in the Student Centre which is set up to access the Kamar portal. In fact, any parents are welcome to use it.

There will be another Interim Report issued early in Term 3, and this will be tied to the second round of Student Achievement Conferences scheduled for Thursday 9 and Friday 10 August.

You can of course contact us at any time to discuss any matters relating to your son or daughter.

Elizabeth Spooner
Associate Principal
