### Guidance Information

- 1 *English Language (EL)* refers to the acquisition of English as an additional language.
- 2 This unit standard is at a level comparable to the Common European Framework of Reference (CEFR) mid B1. It is intended for learners who are developing independence in English. A structured overview of all CEFR related scales can be found at <http://www.coe.int/en/web/portfolio/overview-of-cefr-related-scales>.
- 3 This unit standard may contribute to the New Zealand Certificate in English Language (Level 2) [Ref: 1881]. The requirements of this standard are consistent with the *NZCEL Guiding Document*. This document includes guidelines relating to appropriate texts, task specifications and assessment conditions and can be found at <http://www.nzqa.govt.nz>.
- 4 All assessment activities must be conducted in English, which must not be the candidate's first language.
- 5 Assessment must be conducted in a supportive environment. This refers to the assessor reducing affective barriers as necessary.
- 6 Candidates need to be given time to read any written instructions and questions before the listening task. Clarification of task instructions may be requested by the candidate, so long as this does not lead the candidate to the correct answer.

- 7 The assessor must be satisfied that the candidate can independently demonstrate competence against the unit standard.
- 8 It is recommended that:
- i the outcomes are assessed as part of an integrated unit of work, relevant to the learning context of the candidate;
  - ii assessment be conducted in conjunction with assessment against other English Language unit standards at this level.
- 9 Candidates may use a bilingual and/or an English dictionary, but not electronic devices to understand task instructions.
- 10 Candidate's responses may contain phonological or linguistic inaccuracies, but errors must not obscure meaning. This standard assesses listening skills, not spoken, reading or written skills.
- 11 Spoken text for this unit standard:
- i must be approximately one and a half to two minutes;
  - ii may include but are not limited to – news reports, weather reports, public announcements, school or workplace notices, instructions, advertisements, short conversations or short talks;
  - iii must be appropriate to the spoken mode or a text designed for oral delivery;
  - iv must be repeated once only;
  - v must be delivered in clear standard speech in a familiar accent;
  - vi can be listened to face-to-face, or in pre-recorded audio or audio-visual format. If audio-visual materials are used, these must not include large amounts of written text.
- 12 For the purposes of moderation, if the candidate's response is oral, the assessment must be recorded audio-visually. Recorded work must not be edited. Guidelines for digital visual submissions be found in *Preparing digital visual submissions for moderation*, accessed at: <http://www.nzqa.govt.nz>.
