

CULLINANE COLLEGE

TERM THREE, WEEK TEN

PRINCIPAL'S MESSAGE

It has an absolute pleasure to see the excellent work that is taking place here at Cullinane College over this later stage of Term Three. Staff and students are working hard with a diligent focus upon the teaching and learning in the classrooms. Our senior NCEA students are in the final stages of their qualifications, with many striving for endorsement credits

The completion of Stage Two of our building programme is well on track. The official opening ceremonies are a dawn karakia (5am) with local iwi on Tuesday the 23rd October (just after Labour Day). The refurbishing of the building will then take place with the Bishop blessing the buildings for their first day of classes on Friday the 26th October (at 9:30am).

There have been two new appointments made for the senior leadership team. Our new Deputy Principal is Kieran Udy. Kieran is a former student of St Augustine's College and is currently part of the Senior Leadership Team of St Peter's College in Palmerston North. Our new Assistant Principal is Renee Cox. Renee is currently the Head of English at Whanganui Girls College. Both Kieran and Renee will start in Week Five of next term.

The official farewell for Mr Martin Bullock will be at this Tuesday's school assembly, with staff farewelling him on Friday after school. Mr Bullock requested that as a part of his farewell the students should have a shared pizza lunch. He has been valuable long term member of staff here at Cullinane College and this week marks a significant milestone for Martin, given the length of time associated with St Augustine's and Cullinane (as a student, teacher, Deputy Principal and as Acting Principal). We all wish him the very best with his new role with Arahunga Special School.

The Catholic Character of Cullinane College has been at the forefront of our school community lately. There have been students going through sacramental programmes, our Year 12 and 13 annual retreats and this week sees the arrival of a review team from the Palmerston North Diocese Office.

I want to thank all the students, staff and parents/caregivers for all their efforts over this very busy term. I wish you all a well deserved holiday break and am looking forward to an excellent Term Four.

Yours in Christ, Justin Harper

CELEBRATIONS IN THE CHURCH

Last week four priests from the Palmerston North Diocese celebrated significant jubilees. Frs Crotty, Costello and Monsignor John Carde celebrated 60 years of ordained ministry, while Fr Roberts celebrated 40 years. Fr Crotty had a long association with St Augustine's and has maintained a relationship with Cullinane, while Fr Roberts has been associated with Cullinane. We congratulate them all and thank them for their wonderful service.

SENIOR RETREAT

Two weeks ago our Senior students travelled to Ranana for their end of year retreats. The weather was kind and students engaged thoughtfully in all activities. A real highlight was the way all Year 12 and 13 students engaged in starting to learn a new waiata- Te Here Ataamai. I look forward to hearing it sung once we are all more proficient. Year 13 students have made some beautiful picture frames representing their time at Cullinane. They also shared their thoughts on leadership and being Year 13 with the Year 12 students.

The Year 12 students were inspired by the prospect of being student leaders for 2019. They showed trust within each other, sharing their ideas within our four areas of Manaakitanga, Kotahitanga, Whanaungatanga and Aroha. They also participated enthusiastically in some creative prayer activities such as praying in colour and creating foil symbols.

A big thanks to Senora Penn-Reina and her husband who were in charge of the kitchen and filled our tummies.

2018 NGA MANU KORERO

"THE ORATORS"

Christie practicing before she takes the stage

Cullinane College recently took part in the national Māori speech competition for secondary students. The competition encourages fluency in Te Reo Māori and English and began in 1965. The annual competition brought hundreds of students from around the country to Gisborne. Year 12 student Christie Wallace (Te Atihaunui-a-paparangi/Ngati Apa) represented the Whanganui/Taranaki region, in the senior Māori section of the Pei Te Hurinui Jones. Christie delivered her speech with confidence, conviction and enthusiasm and made a huge impression on the audience.

We are all extremely proud of your achievement, Christie.

Congratulations must also go to Sophia Ungia-Cribb of Whanganui High School who won the Ta Turi Kara/Sir Turi Carroll Trophy for best junior English speech. Host region of next year's Nga Manu Korero is Manawatu/Horowhenua.

GEOGRAPHY NEWS

The Year 12 Geography class completed a fieldtrip on Wednesday, 5th September based on an internal research assessment worth a total of 5 credits.

The class travelled to Turoa Ski-field and Waiouru. On the way they stopped and collected data on a range of variables from temperature, wind, rainfall and cloud cover. All students involved enjoyed experiencing the snow.

Students' hypotheses in the end were that altitude affects the temperature.

Overall, it was a really good day out and lots of fun.
