

Noah's Ark Parade - October 23rd & 24th

Our annual Noah's Ark Parade and Family Chapel will be held October 23rd and October 24th. Children in our 3 and 4-year old programs will participate in this event. Families are invited to attend this special celebration. (Children enrolled in our 2's classrooms celebrate in their classroom.)

In October, the children will be learning about Noah and the Ark and how God provided for Noah and his family and the animals. Each class will create masks or headbands to represent an animal. The "animals" will parade across the stage one class at a time. After the parade, the children will sing together on stage about Noah and the animals.

After all the children are safely seated, Pastor Matthew will welcome everyone and we will hold regular Chapel for the children and parents. During Chapel time we will enjoy Bible songs and a mini Bible lesson just right for little ones. This is your opportunity to worship with your child and experience Chapel through a "child's eye". See the schedule below for dates and times.
