## Children's Grief Awareness Day

**Thursday, November 15, 2018**

**Wear Blue to show your support!**

### Why raise awareness for grieving kids and teens?

Many people don't realize that it takes most children much longer to deal with their grief than we expect and that the amount of inner turmoil, invisible to most, is much more intense than we have any idea of. We raise awareness so that people will realize that even if there is no outward sign of inner turmoil, those storms can still be raging inside a grieving child's heart.

We raise awareness so that people will understand that a grieving child can't just "get over it"—not in any set time period, not by any act of their own will—and that there's no reason that they should just "get over it."

We raise awareness in order to help people learn ways they might help a grieving child they happen to know, now or in the future.

## Camp Erin Tampa Bay 2019

Can you believe it? It's back again! Come and join us for Camp Erin 2019. Suncoast Kids Place will be hosting Camp Erin Tampa Bay which is a transformational weekend camp specifically designed for kids and teens, ages 6-17, who have experienced the death of a significant person. Camp Erin combines traditional, fun camp activities with grief education and emotional support, and is free of charge for all families. Led by grief professionals and trained volunteers, Camp Erin provides a unique opportunity for youth to increase levels of hope, enhance self-esteem, and most importantly to learn that they are not alone.

Camp is January 25-27, 2019 and will be held at Lakewood Retreat in Brooksville, FL. We cannot wait to see you and your camper out there!

**Camper and Volunteer applications are now available!**
