

Mobile Mammography Day @ Native American Community Clinic

Monday October 17, 2011

The Shakopee Mdewakanton Sioux Community (SMSC) Mobile Unit will visit NACC every quarter to provide **FREE MAMMOGRAMS** to our patients! Mammograms screen women for signs of breast cancer. They are recommended for women 40 years of age and older. Women with family history of breast cancer should start at age 35.

Mobile Mammography Day Activities:

- Breast & Cervical Cancer Education
- Colon Cancer Education
- Door Prizes
- Lunch Provided

To Reserve Your Spot:

Call Myra at (612) 872-8086 extension 120 to reserve your 20 minute appointment today!

**If you have insurance, please bring your card with you. If you do not have insurance, please call the clinic before your appointment to sign up for the SAGE FREE MAMMOGRAM Program.

BROUGHT TO YOU BY: The Native American Community Clinic, Shakopee Mdewakanton Sioux Community, American Indian Cancer Foundation, and the American Cancer Society
